

## Amazing Grace UU (Large print)

1. Amazing Grace! How sweet the sound  
That saved a wretch like me!  
I once was lost but now am found,  
Was blind but now I see.

2. There was a time when faith seemed  
real,  
The magic felt so good!  
The supernatural help would feel  
The way we thought God should.

3. But then we learned to look anew,  
Allowed minds to think and wonder.  
A rational look at religion, too,  
Makes sense, puts ghosts asunder.

4. We feel a wish for answers sure.  
That's how religions grew.  
While hopeful ancient words endure  
Science makes our lives renew.

5. And when we find our meaning true  
Each path not like another.  
Respect what works for others, too.  
All faiths for each sister and brother.

6. Amazing Grace, How sweet the sound.  
Of voices raised together  
In community our faith is bound.  
Our lives for greater good endeavor.
